Women and Capital Punishment in the United States David V. Baker 2015-11-23

The history of the execution of women in the United States has largely been ignored and scholars have given scant attention to gender issues in capital punishment. This historical analysis examines the social, political and economic contexts in which the justice system has put women to death, revealing a pattern of patriarchal domination and female subordination. The book includes a discussion of condemned women granted executive clemency and judicial commutations, an inquiry into women falsely convicted in potentially capital

cases and a profile of the current female death row population.

The Book of Five Rings (Annotated) Musashi Miyamoto 2021-05-03 The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.
