The Higher-Education Advisers' Handbook Andy Gardner 2013-09

The Great University Gamble Andrew McGettigan 2013-04-09 In 2010 the UK government proposed huge cuts and market-driven reforms for Universities. The proposals provoked widespread opposition in the form of street protests, occupations, and online campaigns. As the dust settles, Andrew McGettigan surveys the emerging brave new world of Higher Education. Displaying a stunning grasp of the policy details, he looks at the long term impact of the changes, which have been obscured by the focus on tuition fee increases. What will be the role of universities within society? How will they be funded? What kind of experiences will they offer students? Written in a clear and engaging style, The Great University Gamble outlines the architecture of the new policy regime, which many find difficult to grasp. It is an urgent warning that our Universities are being transformed from institutions of real learning to profit-driven degree factories.

Semi-Trucks of the 1950s Ron Adams 2008-05-15 After WWII Americans were anxious to re-stoke the economy after a long "make-do with what you have" dry spell. By the 1950s new highways were being built, new trucking companies were being formed and old ones revived. Americans were buying newly-styled cars and the latest technologies once again. Semi-trucks helped pave the way for this huge growth spurt in America with dependable trucks built by Mack, GMC, Chevrolet, Ford, Dodge, International, White Freightliner, Peterbilt, Kenworth, Diamond T, Reo, Autocar, Brockway, Sterling and others, many using the increasingly popular diesel engines made by Buda, Hercules, Waukesha, and Cummins, which helped their heavy loads haul quicker. Ron Adams portrays this booming era with over 300 superb photos of trucks hauling cement, fuel, and a variety of goods to enthusiastic Americans.

Watch Over Her Olivia Stephen 2018-06-24 From debut author, Olivia Stephen, comes a steamy, contemporary romance novel about loss, love, and second chances. When her first love abandons her, and a heart-wrenching accident takes her parents too soon, Raina decides it's time for a fresh start. In a brand new town, with walls planted firmly around her heart, Raina has given up on her happily ever after, deciding it's easier to be alone than to risk losing it all. For a second time. When she meets Zane, the new bartender in the small North Carolina town she now calls home, the foundation of those walls begins to crumble. Broody, irritable, and incredibly sexy, there's something about him she just can't shake. As they begin to forge a connection together, Zane's tumultuous past catches up with him and threatens to destroy any potential future they may have, leaving Raina to question all the decisions she's made. Watching over Raina is the hardest promise Zane has ever had to make. Sometimes love doesn't heal all wounds and not all happy endings are meant to be. But perhaps two tortured souls can find the peace they deserve, together. **Mature audiences. 18+
