A Family Guide to Wills, Funerals, and Probate Theodore E. Hughes 2001 Provides practical advice on writing a will, planning an estate in order to avoid probate and death taxes, and coping with the legal arrangements after a death in the family.

The Complete Guide to Planning Your Estate in Ohio Linda C. Ashar 2009-12-15 What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. For those people who wish to preserve their assets for designated purposes — such as family or special charities — it becomes necessary to make special advance preparations. To ensure your assets are protected and final wishes are carried out, there are some common actions that should be taken now. Proper estate planning allows you to plan for yourself and your loved ones without giving up control of your affairs. Your estate plan should also allow for the possibility of your own disability. It should detail what you own and whom you want to leave it to at a time of your choosing and the way you want. Your estate plan should include fully disclosed, controlled costs for you and your loved ones. The last thing you want to worry about is having your estate drained of value through taxes and legal costs. The right plan can protect the value of your estate and spare your loved ones unnecessary hassles and legal conflicts. The Complete Guide to Planning Your Estate in Ohio will help you glide through this complicated process. This new book has been adapted to offer Ohio residents state-specific advice for estate planning. Co-authors Margo Pierce and Linda C. Ashar, attorneys at law, have crafted an estate planning primer, allowing Ohio residents to become more informed and more involved during the process. Many books on estate planning indicate you do not need the services of an attorney, but this book highly recommends using an attorney versed in this area: You should not go through the process alone. This book is intended explain the complicated issues, terminology, and planning strategies of estate planning so when you do meet with a qualified attorney, you will be well prepared. You will understand the legal terms and be ready to discuss issues and strategies with familiarity, saving you time and legal fees and ensuring peace of mind. Ohio-specific information is offered throughout this book, including: Ohio's probate code; Ohio rules, regulations, and laws specific to estate planning; elements of a valid Ohio will; planning your living will in Ohio; explanations of Ohio laws regarding durable health care power of attorneys, do not resuscitate (DNR) orders, and directives to withhold CPR. The book's easy-to-understand context clarifies this complicated and sensitive subject and gives readers the power to take control of their future. This book also offers an overview of abatement rules, settlement costs, guardianship and minor children, executors and trustees, life insurance, potential long-term care needs, marital deductions, types of trusts, gift splitting, survivorship deeds, 529 plans, reducing or eliminating estate taxes, avoiding tax on life insurance, using insurance to pay estate taxes, gift tax issues, generation skipping transfer tax, and tax-deferred accounts. Estate planning should be a positive experience. It involves reviewing your situation and planning for your future. Although few people want to think about the possibility of disability or disease, advance planning is also a way to show your love and to reduce potential distress later. Other books offer a non-state-specific overview of estate planning, causing many readers to be misinformed about rules and regulations particular to their state; but, this new book provides information Ohio residents need to know. Do not get outdated or wrong information that does not pertain to you specifically. Use this new book to craft an estate plan that is not only legally sound but also fully carries out your last wishes and protects your loved ones.

The Ultimate Guide to Estate Planning in Louisiana Myrna Arroyo 2008-04-01 The information Louisiana families need to protect the people they love and the assets they've earned. This book reveals the most common estate planning mistakes wealthy families make and how to avoid them. Also includes powerful estate planning strategies to protect your family. Includes information on wills, living trusts, planning for special needs children, incapacity planning, powers of attorney, living wills and health care directives.

Fundraising Basics: A Complete Guide Barbara L. Cicone 2008-12-18 As nonprofit organizations face heightened scrutiny by the general public, donors, regulators, and members of Congress, the Third Edition of the essential book on the basics of fundraising provides new, up-to-date and valuable information that every fundraiser needs to know. With ethics and accountability being the primary theme of the Third Edition, this practical guide will continue to provide an overview of the field and give development staff, managers, and directors a platform from which to operate their fundraising programs. The new edition also provides much needed information on giving trends, computer hardware and software available for fundraisers, cost estimates and workflow timetables, and the importance of the Internet. This primer remains a must-have for anyone new to the fundraising arena.

Complete Guide to Federal and State Garnishment Amorette Nelson Bryant 2016-09-01 Complete Guide to Federal and State Garnishment provides much-needed clarity when the federal and state laws appear to conflict. You'll find plain-English explanations of the laws and how they interact, as well as the specific steps you and your staff need to take to respond to the order properly. Numerous detailed examples and mathematical calculations make it easy to apply the law under different scenarios. Written by Amorette Nelson Bryant, who was recently appointed by the Uniform Law Commission as an observer for the Drafting Committee on a Wage Garnishment Act and was a past chair of both the APA GATF Child Support Subcommittee and Garnishment Subcommittee, Complete Guide to Federal and State Garnishment brings the payroll professional up-to-date on the latest federal and state laws and regulations affecting this ever-changing area. It is your one-stop source for answers to critical questions, such as: Does the amount exempt from garnishment change when the minimum wage goes up? How do I determine the wages to which the garnishment applies? If an employee is subject to more than one garnishment, which has priority? Which state's rules do I use when I receive a child support order sent from another state? State or federal law - which applies for creditor garnishment and support? Are there alternatives to remitting withheld child support via EFT/EDI? How do I handle garnishments when employees are paid a draw against salary?

Estate Planning For Dummies N. Brian Caverly 2011-03-08 If you're like most people, you want to be sure that, once you've passed on, no more of your property and money will be lost to the government than is absolutely necessary. You want to know that you'll be leaving your heirs your assets and not your debts. You want to be absolutely certain that your will is ship-shape, your insurance policies are structured properly, and that every conceivable hole in your estate plan has been filled. And most of all, you'd like to do all of this without driving yourself crazy trying to make sense of the complicated jargon, jumble of paperwork, and welter of state and federal laws involved in the estate planning process. Written by two estate planning pros, this simple, easy-to-use guide takes the pain out of planning for your ultimate financial future. In plain English, the authors walk you step-by-step through everything you need to know to: Put your estate into order Minimize estate taxes Write a proper will Deal with probate Set up trusts Make sure your insurance policies are structured properly Plan for special situations, like becoming incompetent and pet care Craft a solid estate plan and keep it up-to-date Don't leave the final disposition of your estate up to chance and the whims of bureaucrats. Estate Planning For Dummies gives you the complete lowdown on: Figuring out what you're really worth Mastering the basics of wills and probate Using will substitutes and dodging probate taxes Setting up protective trusts, charitable trusts, living trusts and more Making sense of state and federal inheritance taxes Avoiding the generation skipping transfer tax Minimizing all your estate-related taxes Estate planning for family businesses Creating a comprehensive estate plan Straightforward, reader-friendly, easy-to-use, Estate Planning For Dummies is the ultimate guide to planning your family's future.

Florida Residency Guide State of Florida.com 2004 This publication addresses pertinent answers for those who are seeking to establish Florida residency as well as those who are considering Florida for their relocation or travel destination.

Ashar, attorney at law, has crafted an estate-planning primer, allowing Washington residents to become more informed and more involved during the process. Washington-specific information is offered throughout this book, including Washington's probate code; Washington rules, regulations, and laws specific to estate planning elements of a valid Washington will; planning your living will in Washington; and explanations of Washington laws regarding durable health care power of attorney, do-not-resuscitate (DNR) orders, and directives to withhold CPR. This book's easy-to-understand context clarifies this complicated and sensitive subject and gives readers the power to take control of their futures.

Leavings Ruthanne Koyama 2019-04-25 No matter where you spend your final days there will be leavings. Death, like taxes, can not be avoided, but unlike taxes we often don't leave a record of what the family should do all our stuff. I call that stuff "leavings". You know the things you used right up until your final days, stuff you have in boxes that you meant give away that are now left behind for others to deal with. This book is a gift you can leave for your family to help them get through a very difficult time. The pain of your death is felt even more when all the friends and extended family have gone and they are left to deal with your leavings. It is journal with places to write, with prompts to guide you as you complete the pages and tick of the appropriate boxes that let your family know your final wishes about stuff that wasn't Will Worthy. It covers many things we take for granted and even things our family may not have been aware we did. Almost all of us these days has some online presence, we are on Facebook, belong to groups and share pictures on Instagram. Heck if you are here then you also have an account on Amazon. Access to these most often is not something you share, not because you don't want others to know. It is simply just what we do in this new age of technology we have all embraced. But some of these things have Papal or credit card information attached. Something some one needs to address and may not have considered. You will be prompted about these things and more in the is journal to make sure your family can easily take of these things while not tangible are still something you have left behind. Whether we acknowledge it or are even aware of it we all leave a digital footprint even in death. This book helps make sure it doesn't cause your family more grief. Knowing how access it is just as important as them knowing what you wanted done with those old shoes, clothes and other left overs. It will give your family comfort. And, yes even relief when you give them permission to just through something out.

The Ultimate Guide to Offshore Tax Havens Samuel Blankson 2005-06-01 A detailed listing of all the Tax-Havens, their benefits and their suitability for relocation by the low tax seeker. If you are looking for ways to cut your taxes, there is no better way than to relocate to a low or no tax haven. The havens are listed in geographical order starting with the USA and ending in the South Pacific Islands.

**The Complete Guide to Wealth Preservation and Estate Planning** Jonathan G. Blattmachr 1999-11-01 The Complete Guide to Wealth Preservation and Estate Planning is written for everyone from families to financial planners, lawyers, accountants, insurance underwriters, security and investment advisors and business owners.

**How to Write Your Will** Marlene Garsia 2010-12-01 Essential reading for an executor and anyone thinking about making or updating a will, **How to Write Your Will** is full of expert advice and easy-to-use information set out in jargon-free language. It covers all the important issues, including: why to write a will; where to start; tax and legal considerations; and the problems of dying intestate. It also provides detailed instructions for executors on valuing and administering an estate prior to winding it up. Fully revised to include all new changes to tax laws and the latest legislation on trusts, **How to Write Your Will** now features an extended chapter on documentation, information on the legal situation in Scotland, a 'how to' section and an explanation of the implications for assets in other countries. Packed with helpful information, practical examples and FAQs, it is the complete guide to wills and probate.

**Death, Taxes, & Push-ups** Ted Skup 2009-04 In **Death, Taxes & Push-ups**, Skup confesses his secret obsession with the exercise and how it transformed him into a "lean, mean, pushing machine." He contends that with fitness levels at an all-time low, fitness should be a national priority. He also shows that the most important element in becoming and staying fit is consistency, which is achieved through a fitness program that you can perform anytime or anywhere. You have an arsenal of exercise options at your disposal, and push-ups are the ultimate choice. Skup also takes on the 35-billion-dollar fitness industry and explains why it is failing us, with its bogus claims, magic bullets, and quick fixes. Although the fitness industry may not want to hear it, push-ups are free no equipment, no gimmicks and totally portable. They work for busy executives as well as people with tight budgets. The definition of good health is a sense of well-being, and **Death, Taxes & Push-ups** will be your guide to reaching that goal.

**Your Complete Guide to Early Retirement** Sandy Baker 2007 Tired of commuting? Fed up with your boss? Bored with your job? There is a solution: Start living and doing what you want to do. Lie in a hammock or on a beach, swing your golf club, or hit the open road. Get control of your life, become financially independent, and **RETIRE EARLY**. If you want to retire early - before age 65 - you are not alone. In a survey of workers ages 30 to 50, more than half plan to retire at 60 or younger and only 6 percent plan to work past 65. There are three things you need to do to retire early: 1) Manage your expenses and reduce or eliminate debt, 2) accumulate capital, and 3) save and invest wisely. It is easy, but requires patience and self-control, and with the guidance of this new book you will be on your way to achieving this goal. You will learn how to take control of your life, set realistic long-term goals, choose appropriate lifestyle trade-offs, and learn effective savings techniques and simple investing strategies. You will learn how to calculate how much you need to retire early, get the most from your investment portfolio, reduce your taxes, use retirement planning tools, increase your income while retired, reduce living expenses, deal with inflation and deflation, and calculate social security and pension payments. This book will be your road map to turn the dream of early retirement into reality. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. **When Families Cross Borders: A Guide for Internationally Mobile People** 2006

**The Complete Guide to Trust and Estate Management** Gerald Shaw 2010-11-15 One of the most critical decisions a person must make when crafting a will or establishing a trust is whom to name as executor or trustee. Being chosen for these important jobs is an honor, and you must know how to perform the tasks correctly. With the help of this new book, **The Complete Guide to Trust and Estate Management**, you will understand the complex process of carrying out a person's final wishes. This book will provide insight whether you are a lawyer, accountant, financial consultant, spouse, adult child, relative, or friend; the simple, easy-to-understand language makes this book accessible to everyone. You will become familiar with many estate and trust management terms, such as beneficiary, probate, remaindermen, trust agreement, trust property, trustor, and trustee. In addition, you will learn the many duties and responsibilities of an executor, including the disbursement of property to the beneficiaries, collecting and arranging for the payment of debts, approving and disproving creditors claims, calculating taxes, filing forms, assisting the estate attorney, acting as the representative of the estate, inventorying and appraising the assets, and acting in the best interests of the deceased. After reading this book, you will know how to initiate probate; how to preserve the value of the estate; how to notify beneficiaries; how to send notices to the post office, banks, utilities, and credit card companies; how to file for Social Security, civil service, and veteran benefits; how to file tax returns; and how to file state death and federal estate tax returns. As executor, you will be responsible for settling the deceased person's estate and as trustee, you will be responsible for holding and administering the trust assets in the best interests of the trust's beneficiaries. Using this book as a guide, you can be assured that you will be prepared to properly perform the necessary duties entrusted to you. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

**The Complete Guide to Creating a Special Needs Life Plan** Hal Wright 2013-07-28 The purpose of special needs planning is to create the best possible life for an adult with a disability. This book provides comprehensive guidance on creating a life plan to transition a special needs child to independence or to ensure they are well cared for in the future. Beginning with a vision of a meaningful life for the child, Hal Wright explains how to form a practical plan to reach these goals, how to mentor personal empowerment and task skills, and how to create circles of support to sustain a life plan. He next looks at employment and residential options, and government programs available in the United States. Finally he talks the reader through important financial and legal considerations, including how to fund and manage a special needs trust. This book will be essential reading for all parents or guardians of a child with a cognitive, mental or physical impairment. It will also be of interest to attorneys, financial planners, insurance agents, trust officers and other professionals looking to better serve the special needs community.

**The Legal Studies Forum** 2000

**Don't Die Until You Read This!** Daniel G. Nigito 2001 Dan Nigito is back with a new book that takes estate planning far beyond death and taxes and into the creation of your personal financial legacy! Using his inimitable style of plain English, humor, and lots of easy-to-follow flowcharts, he provides his readers with a step-by-step game plan for the preservation and transfer of family wealth. This book is a must read for parents with children, children with parents, grandparents with grandchildren, and anyone else who wishes to: -- Reduce and even eliminate Federal and State Estate Taxes. -- Avoid Capital Gains Tax on sales of appreciated assets. -- Increase your current income while paying less tax. -- Generate current income tax deductions. -- Leverage new cash flow to create millions of tax-free dollars for future generations. -- Slash the taxes on retirement plan distributions. -- Sell or transfer the family business without tax. -- Create a philanthropic legacy with dollars normally lost to taxes. -- Never, ever lose control of your assets.

**Handbook of Hospice Policies and Procedures** Marilyn D. Harris 1999 PART OF THE NEW JONES & BARTLETT LEARNING INFORMATION SYSTEMS SECURITY & ASSURANCE SERIES! **Security Strategies in Linux Platforms and Applications** covers every major aspect of security on a Linux system. Written by an industry expert, this book is divided into three natural parts to illustrate key concepts in the field. It opens with a discussion on the risks, threats, and vulnerabilities associated with Linux as an operating system using examples from Red Hat Enterprise Linux and Ubuntu. Part 2 discusses how to take advantage of the layers of security available to Linux--user and group options, filesystems, and security options for important services, as well as the security modules associated with AppArmor and SELinux. The book closes with a look at the use of both open source and proprietary tools when building a layered security strategy for Linux operating system environments. Using real-world examples and exercises, this useful resource incorporates hands-on activities to walk students through the fundamentals of security strategies related to the Linux system.

**Your Complete Guide to Leaving an Inheritance for Your Children and Others** Michael A. Valles 2008 While more than 50 percent of Americans feel it is important to leave an inheritance for their children and other beneficiaries, the majority have not yet made any plans for their estate. This new book will serve as an aid in your planning, providing you with indispensable information and the necessary tools. Whether you choose to arrange a trust or a will, you will learn how to do so, as well as how to manage and alter your plans. You will be able to choose which trust is right for you, be it living, incentive, Qualified Terminable Interest Property, charitable remainder, children's, support, family, or generation-skipping tax-exempt. You will decide which will-holographic, nuncupative, self-proving, statutory, simple, joint, living, mutual, ethical, electronic, or video - best fits your needs. Furthermore, you will learn about income only trusts, the Uniform Transfers to Minors Act, 529 plans, and Coverdell accounts. In this book, you will learn tips for distributing inheritance among children and what an appropriate inheritance is, as well as about inheritance taxes, exempt beneficiaries, disinheritance, durable power of attorney, and advance health care directives. Additionally, you will learn tips for distributing inheritance among children; what an appropriate inheritance is; how to prevent fights over

inherited property; how to deal with adopted children, stepchildren, and children from a second marriage; how to select trustees and guardians; how to protect your money from a financially immature child, a child's spouse, and creditors; how to divide valuables and non-cash assets; and how to deal with the family home. Your Complete Guide to Leaving an Inheritance for Your Children and Others makes this difficult process easy to understand by using simple, everyday language. If you are one of the many people who want to leave an inheritance but do not know where to begin, it is time to pick up this book and start planning. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Death and Taxes Richard E. Wagner 1973 Aunt Possum receives an unexpected Halloween visit from the pumpkin man.

We The People's Guide to Estate Planning Ira Distenfield 2005-04-29 WE THE PEOPLE No lawyers. Save money. We The People is America's largest legal document services company. Dedicated to helping every American avoid the high cost of legal fees, We The People gives you the information you need to handle your own legal filings quickly, easily, and inexpensively. Hundreds of thousands of Americans have already liberated themselves from the tyranny of attorneys' fees--and now you can too! We The People's Guide to Estate Planning makes planning for your future as painless as possible--all without the added hassle of hiring a lawyer. This practical, nuts-and-bolts guide covers all the basics of do-it-yourself estate planning, and covers everything you need to know about living trusts, wills, probate, and estate taxes. Extra resources--a glossary of estate planning terminology; a section on frequently asked questions; samples of effective living trusts and a last will and testament; as well as worksheets and essential information on how to settle an estate--make this the best resource available for this important step in planning for the future. You'll have all the information you need to understand the legal language of a will or living trust and learn how to seek state-specific laws and customs so you can tailor your plans accordingly. In addition, you can download sample documents from which you can create your own. Inside, you'll learn all the basics and more: \* Whether you need a living trust, a will, or both \* Creating a valid last will and testament \* Designating a successor trustee or executor to an estate \* Deciding who gets what--and making sure they do \* Setting up a living trust and funding it with assets \* Understanding durable power of attorney documents and living wills \* Tax-saving tips that help you leave more for your beneficiaries \* Getting to know (in plain English) the legal language of your will or living trust \* Where to download sample documents \* Settling an estate with or without a valid will or living trust It's important to take care of the ones you love after you're gone. But if your estate planning isn't done clearly, precisely, and legally, you could end up creating more problems for your survivors than you solve. Do it right, do it inexpensively, and do it yourself--with We The People's Guide to Estate Planning.

The Complete Guide to Planning Your Estate in Illinois Linda C. Ashar 2010 What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. For those people who wish to preserve their assets for designated purposes -- such as family or special charities -- it becomes necessary to make special advance preparations. To ensure your assets are protected and final wishes are carried out, there are some common actions that should be taken now. Proper estate planning allows you to plan for yourself and your loved ones without giving up control of your affairs. Your estate plan should also allow for the possibility of your own disability. It should detail what you own and whom you want to leave it to at a time of your choosing and the way you want. Your estate plan should include fully disclosed, controlled costs for you and your loved ones. The last thing you want to worry about is having your estate drained of value through taxes and legal costs. The right plan can protect the value of your estate and spare your loved ones unnecessary hassles and legal conflicts. The Complete Guide to Planning Your Estate in Illinois will help you glide through this complicated process. This new book has been adapted to offer Ohio residents state-specific advice for estate planning. Co-authors Margo Pierce and Linda C. Ashar, attorneys at law, have crafted an estate planning primer, allowing Illinois residents to become more informed and more involved during the process. Many books on estate planning indicate you do not need the services of an attorney, but this book highly recommends using an attorney versed in this area: You should not go through the process alone. This book is intended explain the complicated issues, terminology, and planning strategies of estate planning so when you do meet with a qualified attorney, you will be well prepared. You will understand the legal terms and be ready to discuss issues and strategies with familiarity, saving you time and legal fees and ensuring peace of mind. Illinois -specific information is offered throughout this book, including: Illinois's probate code; Illinois rules, regulations, and laws specific to estate planning; elements of a valid Illinois will; planning your living will in Illinois; explanations of Illinois laws regarding durable health care power of attorneys, do not resuscitate (DNR) orders, and directives to withhold CPR. The book's easy-to-understand context clarifies this complicated and sensitive subject and gives readers the power to take control of their future. This book also offers an overview of abatement rules, settlement costs, guardianship and minor children, executors and trustees, life insurance, potential long-term care needs, marital deductions, types of trusts, gift splitting, survivorship deeds, 529 plans, reducing or eliminating estate taxes, avoiding tax on life insurance, using insurance to pay estate taxes, gift tax issues, generation skipping transfer tax, and tax-deferred accounts. Estate planning should be a positive experience. It involves reviewing your situation and planning for your future. Although few people want to think about the possibility of disability or disease, advance planning is also a way to show your love and to reduce potential distress later. Other books offer a non-state-specific overview of estate planning, causing many readers to be misinformed about rules and regulations particular to their state; but, this new book provides information Illinois residents need to know. Do not get outdated or wrong information that does not pertain to you specifically. Use this new book to craft an estate plan that is not only legally sound but also fully carries out your last wishes and protects your loved ones.

The Complete Guide to Planning Your Estate in Pennsylvania Linda C. Ashar 2010 What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. The Complete Guide to IRAs and IRA Investing Martha Maeda 2009 As more and more baby boomers prepare to retire and as people seem to be retiring at an earlier age, the importance of saving for retirement has become increasingly apparent. Many people find themselves worrying that they will not be able to maintain their current life style once they retire. However, the strategies provided in this book will help you turn your IRA into a wealth-building tool. The Complete Guide to IRAs and IRA Investing will show you how to take control of your investment future and make sure your investments are performing for you. You will learn about Roth IRAs, traditional IRAs, SEP IRAs, SIMPLE IRAs, and self-directed IRAs, and you will learn how to choose the right plan for you. You will learn about the Economic Growth and Tax Relief Reconciliation Act of 2001, rules regarding distribution, rollovers, transfers, conversions between

accounts, valid adjustments, adjusted gross income, annual contribution limits, the advantages and disadvantages of the various IRAs, potential penalties, tax deductible contributions, myths and truths about IRA investing, and IRS guidelines. In addition, we will show you how to open an IRA; how to choose the right financial advisor for you; how to manage vital information and deadlines; how to set up your account with a custodian or IRA administrator to deal with the day-to-day activities, such as depositing contributions and executing and settling transactions; and how to use your IRA to invest in mutual funds and stocks. You will also read about the specific rules relating to life insurance, collectibles, foreign investments, and real estate and find the answers to common questions, such as How do rate returns affect my retirement income? When should I begin saving? What IRA am I eligible for? This new book will provide you with all the information you need to know about IRAs and IRA investing. The Complete Guide to IRAs and IRA Investing combines essentials, insight, and insider secrets to help you secure financial victory after retirement.

The Complete Guide to Wills Linda C. Ashar 2010-11-30 Whether many people realize it or not, a will is a vital necessity in making sure all assets and wishes are properly attended to after death. Yet, according to a recent lawyers.com survey, more than 55 percent of all American adults do not have a will, assuming that because they do not have substantial assets, it is an unnecessary task. Many more people neglect it because it seems too complex and time consuming. Fortunately, with this guide in hand, you will have a comprehensive outlook on exactly what a will entails and what you need to do to prepare one. You will learn the basics of estate planning, starting with the outlining of your assets and understanding the various different forms of ownership style. The real and personal property lines, including how your marriage, children, and other legal relationships will affect your property rights, are included. You will learn what value life insurance can have and why every one should have an active policy before creating a will. In addition, you will learn how to measure and distribute assets from a pension, other retirement accounts, and if you own your own business. The difference between a trust and will is provided along with a reason why you should have both in hand at all times. You will learn what the probate court process entails and how attorneys and other legal issues factor into the process. Once the will creation process has begun, sections on how to decide the guardianship of your children and how to handle specific problem situations, such as marriage issues, disabilities, grandchildren you might care for, excess debt, and bankruptcy are provided. You will learn how to make sure your estate is taken care of so that there are no disputes amongst your family after your passing. Dozens of interviews were conducted with attorneys, tax accountants, and other experts to establish a set of clear guidelines to help you ensure your will is created with the best of everyone in mind. You will learn how to minimize the amount of taxes that will be levied on your estate, including through estate taxes, state taxes, and income taxes. You will learn how to use charitable donations, gifting, and other ploys to keep your wealth and possessions in the family. Other details covered include how to choose an attorney to execute the will, and what you can do to handle the surprises you will not be able to anticipate before filing your will. A chapter is included that helps you outline and keep track of how you will keep your will updated as you age and your estate changes. For any of the 125 million Americans without a will, this book is a vital tool to help you prepare your estate properly. Plus Sources of Further Information, Key Websites, Checklists, Glossary, and Index.

The Complete Guide to Managing Your Parents' Finances When They Cannot W. A. Swan 2009-03-30 Every year, millions of Americans transfer their finances to their children or other family members because they reach a point at which they can no longer manage them alone. For those who are about to start managing the finances of their parents, it is important to know exactly how to protect their assets, manage their taxes, and live up to their wishes. This book has been written to do just that, providing a comprehensive walkthrough of what you can expect and how to successfully handle your parents finances. To start, you must learn the basics of managing money that is not your own. You will be provided with a step-by-step chapter on how to keep track of funds, maintain the same accounting methods your parents have used for decades, and keep everything organized and separate from your own. You will learn how to evaluate sources of income including how to receive and manage Social Security, 401(k), and other retirement plans as payments are made. Additionally, you will learn how to balance their expenses, including a budgeting sheet to help you maintain the same level of expense they expect. You will learn how to budget accordingly, depending on where your parents are living and what their medical expenses might be. A chapter on insurance and medical coverage is included to help you understand how much money you can expect to set aside for these expenses and how much should be covered by programs such as Medicaid. Learn how to maintain housing for your parents as well, whether they are in assisted living or staying with you. A guide on how to talk to your parents about fraud and keep them away from potentially dangerous opportunities will make it easier for you to keep a handle on their finances without taking away their freedom. Dozens of men and women who have gone through this same situation, and also professional finance managers, have added their expertise to this book, providing firsthand accounts of how they were able to manage their own parents accounts and what you can expect. You will learn the difference in tax laws for the retired and what you will be required and not required to pay as a result of their age. It can be daunting when you first take control of your parents finances, but with this book in your hands, you should be able to quickly and efficiently take the reins and maintain the quality of life they have grown accustomed to. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida.
