Fencing the Sky James Galvin 2013-10-15 A haunting novel of the American West about an accidental murder that springs from the best intentions. Stepping his horse through the lush, beaver-worked draw looking for stray cows, Mike Arans never imagined that, moments later, he'd find himself swinging a nylon loop around Merriweather Snipes and pulling until his neck snapped.

Once Snipes was dead, Mike fished a notepad and a stub of pencil from his pocket, wrote "I did this," signed his name, and stuffed the note into Snipes's breast pocket. Then Mike rode to his house, stocked up on supplies, and rode due west. *Fencing the Sky* is the story of how circumstances spiral out of control, the story of gross indifference and avarice in the face of breathtaking beauty. Ultimately, James Galvin's novel is a book about violence and how it destroys lives when the land is at stake. This long-awaited lyrical first novel is nothing less than the story of the disappearance of the American West.

The Noise James Patterson 2021-08-05 'A really entertaining thriller [that] like Michael Crichton . . . keeps ratcheting up the suspense' BOOKLIST _____ Two sisters have always stood together. Now, they're the only ones left. In the shadow of Mount Hood in the US Pacific Northwest, sixteen-year-old Tennant is checking rabbit traps with her eight-year-old sister Sophie. The girls are suddenly overcome by a strange vibration rising out of the forest, building in intensity until it sounds like a deafening crescendo of screams. From out of nowhere, their father sweeps them up and drops them through a trapdoor into a storm cellar. But the noise only gets worse . . . _____ 'No one gets this big without amazing natural storytelling talent - which is what Jim has, in spades' LEE CHILD 'The master storyteller of our times' HILLARY RODHAM CLINTON 'It's no mystery why James Patterson is the world's most popular thriller writer . . . Simply put: nobody does it better' JEFFERY DEAVER 'Patterson boils a scene down to the single, telling detail, the element that defines a character or moves a plot along. It's what fires off the movie projector in the reader's mind' MICHAEL CONNELLY 'One of the greatest storytellers of all time' PATRICIA CORNWELL 'A writer with an unusual skill at thriller

The Meadow James Galvin 2014-02-04 An American Library Association Notable Book In discrete disclosures joined with the intricacy of a spider's web, James Galvin depicts the hundred-year history of a meadow in the arid mountains of the Colorado/Wyoming border. Galvin describes the seasons, the weather, the wildlife, and the few people who do not possess but are themselves possessed by this terrain. In so doing he reveals an experience that is part of our heritage and mythology. For Lyle, Ray, Clara, and App, the struggle to survive on an independent family ranch is a series of blameless failures and unacclaimed successes that illuminate the Western character. The Meadow evokes a sense of place that can be achieved only by someone who knows it intimately.

As is James Galvin 2009 James Galvin is a Wyoming rancher and on the permanent faculty at the Iowa Writers' Workshop.

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the

Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

It is a contemporary masterpiece."—San Francisco Chronicle Hailed by *The New Yorker* for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as

each is driven---and haunted---by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

The Jealous Kind James Lee Burke 2016-08-30 On its surface, life in Houston is as you would expect: drive-in restaurants, souped-up cars, jukeboxes, teenagers discovering their sexuality. But beneath the glitz and superficial normalcy, a class war has begun, and it is nothing like the conventional portrayal of the decade. Against this backdrop Aaron Holland Broussard discovers the poignancy of first love and a world of violence he did not know existed. When Aaron spots the beautiful and gifted Valerie Epstein fighting with her boyfriend, Grady Harrelson, at a Galveston drive-in, he inadvertently challenges the power of the Mob and one of the richest families in Texas. He also discovers he must find the courage his father had found as an American soldier in the Great War.

The Lost Man Jane Harper 2019-02-05 INSTANT NEW YORK TIMES BESTSELLER Two brothers meet in the remote Australian outback when the third brother is found dead, in this stunning new standalone novel from Jane Harper Brothers Nathan and Bub Bright meet for the first time in months at the remote fence line separating their cattle ranches in the lonely outback. Their third brother, Cameron, lies dead at their feet. In an isolated belt of Australia, their homes a three-hour drive apart, the brothers were one another's nearest neighbors. Cameron was the middle child, the one who ran the family homestead. But something made him head out alone under the unrelenting sun. Nathan, Bub and Nathan's son return to Cameron's ranch and to those left behind by his passing: his wife, his daughters, and his mother, as well as their long-time employee and two recently hired seasonal workers. While they grieve Cameron's loss, suspicion starts to take hold, and Nathan is forced to examine secrets the family would rather leave in the

past. Because if someone forced Cameron to his death, the isolation of the outback leaves few suspects. A powerful and brutal story of suspense set against a formidable landscape, *The Lost Man* confirms Jane Harper, author of *The Dry* and *Force of Nature*, is one of the best new voices in writing today.

Everything We Always Knew Was True James Galvin 2016-10-13 "James Galvin has a voice and a world, perhaps the two most difficult things to achieve in poetry."—The Nation "Bleak and unsentimental but blessedly free of self-indulgence, these poems give the feeling of being absolutely essential."—Library Journal "Galvin [has] the virtues of precise observation and original language . . . a rigor of mind and firmness of phrasing which make [each] poem an architectural pleasure."—Harvard Review In his first collection in seven years, James Galvin expands upon his signature spare and gnomic lyric as he engages restrained astonishment, desire, and loss in a confessional voice. Whether considering masterpieces of painting or describing the austere landscape of his native Wyoming ranchlands, Galvin turns to highly imagistic yet intimate narratives to rain down compassion within isolation. From "On the Sadness of Wedding Dresses": On starless, windless nights like this I imagine I can hear the wedding dresses Weeping in their

closets, Luminescent with hopeless longing, Like hollow angels. They know they will never be worn again. Who wants them now, After their one heroic day in the limelight? Yet they glow with desire In the darkness of closets. James Galvin passionately depicts the rural American West and the interactions between humans and nature in his best-selling memoir *The Meadow* and his novel *Fencing the Sky*. Galvin is also the author of several volumes of poetry and teaches at the Iowa Writers' Workshop. He divides his time between Iowa and Wyoming.

To the Lighthouse Virginia Woolf 2021-06-24 Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day – a promise which isn't to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse* has earned its reputation – frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

Swifts and Us: The Life of the Bird that Sleeps in the Sky Sarah Gibson 2021-05-13 Swifts live almost entirely in the air. They eat, drink, sleep, mate and gather their nesting materials on the wing, fly thousands of miles across the world, navigating their way around storms, never lighting on tree, cliff or ground, until they return home with the summer.

Fencing the Sky James Galvin 1999 From critically acclaimed author of *The Meadow* comes a haunting novel of the American West. Circumstances spiral out of control when an accidental murder springs from the best intentions. With one man dead and another on the run, this is a story

The Heavens Sandra Newman 2019-02-14 A STORY OF LOVE COMPLICATED BY TIME TRAVEL 'What a wonderful, strange, terrifying, brilliant novel this is' Kamila Shamsie, author of Home Fire New York, 2000. Kate and Ben meet at a party and immediately fall in love. It is the first year of the new millennium, the first year without a war anywhere in the world. The United Nations has just planted its flag on Mars, and a Green Party senator is about to become the first female president of the United States. Kate falls asleep, knowing that she is loved. London, 1593. Kate wakes as Emilia - the mistress of a nobleman - and finds the plague at her door. Afflicted by premonitions of a burnt and lifeless city, she sets out to save the world. Each decision she makes will change her life with Ben forever. A story of love and alternate universes, madness and time travel, The Heavens is a dream bound up in a strange awakening; it is a bewitching novel of what we have lost, and what we might yet be able to save.

Lethal Frequencies James Galvin 1995 This fourth collection from the author of the prose masterpiece The Meadow is inspired by the often harsh subrural landscape of southwestern Wyoming where Galvin has spent most of the past decade building a log home, beginning with the felling of trees. Firsthand knowledge of the expansive landscape of the west provides perspective more than mere imagery, reducing human activity to its proper dimension. Galvin adds a kind of pre-Socratic intelligence, a stoical turn of mind, and genuine love of hard physical work to make poems that are direct, spare, compact, and stripped of rhetorical or aesthetic device.

The Low Road James Lear 2009-09-01 Robert Louis Stevenson's *Kidnapped* has long been considered a masterpiece of high adventure. In *The Low Road*, James Lear reinvents this classic as a satirical, queer, coming-of-age story. In 1705 Scotland, young Charles Gordon reaches adulthood ignorant of his family's heroic past in the Jacobite Rebellion. He sets out to discover the truth about his father, but instead is kidnapped by mercenaries and sold into slavery as the plaything of a group of corrupt military officials. But Charlie's talents, in and out of bed, win him powerful friends as well as dangerous foes. The false priest, Lebecque, violent Captain Robert, depraved General Wilmott — all contribute to Charlie's "education." Eventually leading a makeshift army of sex-crazed layabouts, Charlie faces the might of the English forces. Will he triumph, or is it better to retreat to the safety of his sybaritic lifestyle? James Lear expertly interweaves spies and counterspies, scheming servants and sadistic captains, tavern trysts and prison orgies, into this delightfully erotic work that can take its place alongside his acclaimed novels *The Back Passage* and *Hot Valley*.

The Burning Sky Joseph Robert Lewis 2012-04-08 Taziri was the only pilot available to help the marshalls after an explosion in the airfield destroyed the fleet and killed most of the pilots. With assassins hiding in the shadows and riots raging throughout the country, Taziri quickly learns to defend herself with her own inventions. The marshalls had to rely on Taziri because in this country women controlled the government, the military, and the most powerful industries. Taziri tried her best, but in the end she felt her country's greatest hope for peace was to seek the help of an exiled

Incan princess who rode a giant eagle and a swordsman who talked to ghosts.

Quattrocento James McKean 2003-11-11 Matt O'Brien, an assistant curator and art restorer at the Metropolitan Museum of Art, has always been passionate about the Italian Renaissance. But when he discovers a long-neglected portrait of a beautiful woman among the museum's miles of storage bins, he becomes obsessed--and not only because he suspects that the painting is by Leonardo da Vinci. Something about the mysterious woman's exquisite face stirs his memory, and when Matt finds himself spun across the centuries into Quattrocento Italy, where he arrives perfectly attired in 15th century clothing, he appears to be free to pursue her. A magically woven, richly detailed debut, Quattrocento tells an unforgettable tale of art, and love, and the unexpected places places where they meet.

Now he's trapped in a school that's surrounded by a razor-wire fence. A school where video cameras monitor his every move. Where there are no adults. Where the kids have split into groups in order to survive. Where breaking the rules equals death. But when Benson stumbles upon the school's real secret, he realizes that playing by the rules could spell a fate worse than death, and that escape—his only real hope for survival—may be impossible.

The Duke and the Lady in Red Lorraine Heath 2015-04-28 Sparks fly in the finale of the Scandalous Gentlemen of St. James Place series, as the last wicked rogue meets his match. When Rosalind Sharpe gains the attention of the deliciously wicked Duke of Avendale, she's torn

between her distracting attraction to the notorious rogue and the knowledge that he—rich as Croesus—is the perfect target for a deception that will put her swindling days behind her. However, Avendale is no fool. After he discovers the tantalizing lady packing up to leave London with his coins in tow, he confronts her with a scandalous proposition: she can have all the money she requires...for a week in his bed. Desperate for the funds, Rose agrees, but on one condition: he must never question her motives. Avendale quickly sees beneath her mask and discovers she is more than passion and pleasure—she is everything he has ever desired. But claiming her requires he unveil her secrets and lose her forever. Unless he can put his own dark past aside and risk everything for a chance at love.

Our Fathers Andrew O'Hagan 2011-02-03 ** From the author of *Mayflies* ** 'A beautiful, elegaic work . . . This should be required reading for everybody.' Ian Rankin Shortlisted for the Booker Prize, *Our Fathers* is a powerful reclamation of the past from one of Britain's most accomplished literary novelists. Hugh Bawn, modern Scottish hero and legendary social reformer, lies dying in one of the high-rise tower blocks he helped establish. His grandson Jamie comes home to watch over him, and it is Jamie who tells the story of their family, of three generations of pride and delusion, of nationality and strong drink, of Catholic faith and the end of the old left. It is a tale of dark hearts and modern houses - of three men in search of Utopia.

Waking the Moon Elizabeth Hand 2012-10-30 A Gothic fantasy set on a college campus from the author of *Wylding Hall*: “The unstoppable narrative just might make *Waking the Moon* a cult classic. Literally” (Spin). Sweeney Cassidy is the typical college freshman at the University of the Archangels and St. John the Divine in Washington, DC. She drinks. She parties. And she certainly doesn't suspect that underneath its picturesque Gothic façade, the University is a haven for the Benandanti, a cult devoted to suppressing the powerful and destructive Moon Goddess. But

everything is about to change as Sweeney learns that her two new best friends are the Goddess's Chosen Ones. Rich and engrossing, *Waking the Moon* is a seductive post-feminist thriller that delves into an ancient feud, where the real and magical collide, and one woman is forced to make a decision that will change the world. This ebook features an illustrated biography of Elizabeth Hand including rare images and never-before-seen documents from the author's personal collection.
