Harem Girl M. Saalih 2004-03-01 "HAREM GIRL" is, at its heart, an engaging and erotic love story. Sapphira, beautiful and assured, tells in unblushing and sensuous detail of her journey through life, briefly as an innocent young girl in Tunisia, then as one of eleven slave girls in an Arabian sheikh's harem, where her life changes utterly. Shamelessly, she reveals the sheikh's secrets of exotic lovemaking, and writes down all in her journal, her every thought, fear, and pleasure, with pressing frankness. There is much to learn before she is "called" to her Master. Eunuchs train and instruct her in every facet of the art of pleasing a man. ..."on one hand, I looked forward to knowing these things, yet on the other, I was aghast at the way I had to show myself and the distasteful things I might have to do. It thoroughly unnerved me to realize that I must know a man in these ways--a man I scarcely knew..". Her description of life in the harem is compelling and moving, recalling a level of lustful debauchery, submission, and decadence unimaginable today, but completely believable in the era in which it is set...and we are like the "fly on the wall" to watch intriguing, romantic, and sometimes wretched events unfold.

Arab Women's Lives Retold Nawar Al-Hassan Golley 2007-10-18 Examining late twentieth-century autobiographical writing by Arab women novelists, poets, and artists, this essay collection explores the ways in which Arab women have portrayed and created their identities within differing social environments. The collection goes well beyond dismantling standard notions of Arab female subservience, exploring the many ways Arab women writers have learned to speak to each other, to their readers, and to the world at large. Drawing from a rich body of literature, the essays attest to the surprisingly lively and committed roles Arab women play in varied geographic regions, at home and abroad. These recent writings assess how the interplay between individual, private, ethnic identity and the collective, public, global world of politics has impacted Arab women's rights.

The Harem Master and the Spy Powerone 2018-04-25 The Harem Master and the Spy is a fast-paced novel of deceit, betrayal and bondage. Amidst the turmoil of World War II, two British women go to Turkey to teach English to the children of diplomats and the Turkish heads of state. But is all what it seems to be or do they harbor a hidden agenda? The Turkish culture of the 1940s is male-dominated and these two women must find ways to navigate it: one, more secure and experienced, uses it to her advantage, trading favors to get what she wants. The other, with little knowledge of either the world around her or of her own heart, finds something deep inside her that scares her when she responds to men's demands. Both women come to the attention of the feared Turkish intelligence department when secrets are stolen from the safes of diplomats. Both women had been in attendance at state dinners on the nights of the break-ins. Determined to find out if either woman—or both—are spies, they are subject to days-long interrogations. One of the women finds escape in the most unlikely way—her sexual innocence highly prized by the Sultan—finding herself in a harem that she knows little about and trained to pleasure the Sultan in all manners. Will she relinquish herself to the Sultan's wanton pleasure or will she suffer the fate of those who offend him? Will the other woman escape the clutches of her captors, or will she disappear like many who preceded her? Are they two innocent women, or are they dedicated and cunning spies caught in the wrong place at the wrong time? Intense bondage in the inimitable Powerone manner!

Her Shifter Harem's Babies [Full Collection] Layla Heart 2022-08-25 Cyra, a rare Omega phoenix shifter, has been hiding from the shifter world for years, but she's about to be dragged back into it in a big way. Cyra feels that she's pretty good at pretending that she's human, she's got a job at a cafe and is a princess for hire for birthday parties for kids. Money is always tight, but she likes her freedom and that's worth a lot to her. Rare Omegas like her are never truly safe. Either because her parents keep trying to marry her off to some rich Alpha for the money and status it would bring them, or the constant danger of being found out, kidnapped and bred by some random shifter family hoping to gain status from that. Once she's claimed by an Alpha, she'll become the Alpha's property, and she refuses to live like that. But those situations become real possibilities when Cyra finds herself at the start of the shifter mating season with an old car that constantly breaks down and her stash of medication that she uses to hide her Omega status running dangerously low, and no money to afford to do something about either problem. Her problems get even worse when two playboy Alphas, a hydra and a griffin, start showing up at the cafe. Their teasing and interest making her feel things and want things she's sworn to never do with another shifter, for the risk of what could happen is too great for the short enjoyment it would bring. But the final straw is when she accidentally accepts to play a princess at a shifter kid's birthday party and her car breaks down right as she's about to leave. Luckily, or maybe she's just that unlucky, two kind Alphas, a cerberus and a centaur, are able to give her a ride back home. Their kindness making her feel safe and comforted, even when it's not safe for her at all. In a bout of recklessness and a desperate need for the money, she accepts the offer of the cerberus and centaur to be their date to the yearly Night Gala. An exclusive event at the start of the mating season where Alphas, Betas and Omegas can meet, but it's not uncommon for humans to attend too, as 'dates' or staff. One night of looking pretty and eating fancy food and she'd be able to not only fix her car but afford the medication she needs, the offer is too tempting. What she hadn't expected was for the hydra and the griffin to show up too. Or how all four Alphas would react to her Omega scent. Or how the media would hound them through the city as the five are trying to figure out what's going on. Or, worst of all, how her parents would use this opportunity to get the fame they've always wanted by claiming that the four Alphas have kidnapped Cyra and that she's already promised to another Alpha. Now the five not only have to figure out their feelings, but are also on the run from the media, the police and anyone interested in getting their hands on a rare Omega, no matter the cost... This collection contains all four books in the Her Shifter Harem's Babies series, Omega Phoenix:
