Academic literacy: The importance and impact of writing across ...

achieving excellence in writing is the reflective process – the ability to critique one’s own work as well as the work of peers. As outlined by McGuire, Lay and Peters, this reflective aspect of writing is particularly important in the curriculum of professional programs as a method of teaching problem-solving (McGuire, Lay, and Peters, 2009). Holtzman and colleagues (2005), in an ...
