Atonement Ian McEwan 2009-03-19 From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed – irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound – and profoundly moving – exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the un-tamable horse in her stable: the Star Runner. Cloud Cuckoo Land (Large Print Edition) Anthony Doerr 2021-09-28 From the Pulitzer Prize-winning author of All the Light We Cannot See, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of Cloud Cuckoo Land are trying to figure out the world around them: Anna and Omeir, on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in an attack on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now. Like Marie-Laure and Werner in All the Light We Cannot See, Anna, Omeir, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we're gone. Dedicated to “the librarians then, now, and in the years to come,” Cloud Cuckoo Land is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

Corruptible Brian Klaas 2021-11-09 'Illuminating . . . reveals why some people and systems are more likely to be corrupted by power than others' - Adam Grant 'Passionate, insightful, and occasionally jaw-dropping . . . Corruptible sets out the story of the intoxicating lure of power- and how it has shaped the modern world' - Peter Frankopan 'A brilliant exploration' - Dan Snow 'Klaas is the rarest of finds: a political scientist who can also tell great stories. He mixes memorable anecdotes with stern analysis to tackle one of the biggest questions of all: do we have to be ruled by bad people?' - Peter Pomerantsev Does power corrupt or are corrupt people drawn to power? Are tyrants the products of bad systems or are they just bad people? And why do we give power to awful people? In Corruptible, professor of global politics Brian Klaas draws on over 500 interviews with some of the world's top leaders - from the noblest to the dirtiest - including presidents, war criminals, cult leaders, terrorists, psychopaths, and dictators to reveal the most surprising workings of power: how children can predict who is going to win an election based just on the faces of politicians; why narcissists make more money; what makes a certain species of bee more corrupt than others; whether a thirst for power is a genetic condition; and why being the second in command is in fact the smartest choice. From scans of psychopathic brains, to the effects of power on monkey drug use, Klaas weaves cutting-edge research with astonishing encounters (including a ski lesson with the former viceroy of Iraq, tea with a former UK prime minister, and breakfast with Madagascar's yogurt kingpin president). Written by the creator of the award-winning Power Corrupts podcast, Corruptible challenges our basic assumptions about power, from the board room to the war room, and provides a roadmap for getting better leaders at every level.

The Outsider (Fantasy and Horror Classics) H. P. Lovecraft 2020-05-26 After spending more time than he can remember on his own inside a castle, an enigmatic man resolves to finally escape and seek human contact and daylight, both of which he has never experienced before. However, dissatisfied with what he finds on the outside, he hastens back to his old world inside his castle—to which he is now barred entry. First published in 1926, "The Outsider" is a short story by American horror writer H. P. Lovecraft that explores the concepts of loneliness and the Gothic ab-human. A fantastic example of Lovecraftian supernatural literature not to be missed by fans and collectors of his seminal work. Howard Phillips Lovecraft (1890–1937) was an American writer of supernatural horror fiction. Though his works remained largely unknown and did not furnish him with a decent living, Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century. Recitatif Toni Morrison 2022-02-03 'Toni Morrison was the lodestar who inspired us' Bernadine Evaristo Twyla and Roberta have known each other since they were eight years old, when they were thrown together as roommates in a girls' shelter. Inseparable then, they lose touch as they grow older, only to meet again later at a diner, a grocery store and then at a protest. The two women are seemingly at opposite ends of every problem but, despite their conflict, the deep bond their shared experience has forged between them is undeniable. Recitatif keeps Twyla's and Roberta's races ambiguous throughout the story. We know that one is white and one is black, but which is which? And who is right about the race of the woman the girls tormented at the orphanage? This story is a masterful exploration of what keeps us together and what keeps us apart, of race and the relationships that shape our lives. Now with a new introduction by Zadie Smith, it is as radically compelling and relevant today as it was when first written nearly forty years ago. 'Toni Morrison is the greatest chronicler of the American experience that we have ever known' Tayari Jones 'Her work is an act of giving her community back to itself, so that people - African-Americans but the diaspora as well - can see and witness themselves' Diana Evans

Never Let Me Go Sachin Garg 2012

Harvest Jim Crace 2013-02-12 A remote English village wakes on the morning after harvest, looking forward to enjoying a hard-earned day of rest and feasting. But two mysterious columns of smoke mar the sky, raising alarm and suspicion. The first column of smoke comes from the edge of the village land, sent as a signal by newcomers to announce their presence as per regional custom. The second smoke column is even more troubling: it comes from a blaze set in Master Kent's stables. Walter Thirsk, a relative outsider in the village, casts his eye on three local boys and blames their careless tomfoolery. The rest of the villagers, though, close ranks against the strangers rather than accuse one of their own. Two men and a woman are apprehended; their heads are shaved to mark their criminality; and the men are thrown into the stocks for a week. Justice has been served. Or has it? Meanwhile, another newcomer has been spotted in the village sporting the finer clothes and fashionable beard of a townsman. Mr. Quill, as the villagers name him, observes them closely and takes careful notes about their land, apparently at Master Kent's behest. It is his presence more than any other that will threaten the village's entire way of life. In effortless, expertly crafted prose, Jim Crace details the unraveling of bucolic life in the face of economic progress. His tale is timeless and unsettling, evoking a richly textured world you will remember long after you finish reading.
