Henry Miller on Writing Henry Miller 1964 Some of the most rewarding pages in Henry Miller's books concern his self-education as a writer. He tells, as few great writers ever have, how he set his goals, how he discovered the excitement of using words, how the books he read influenced him, and how he learned to draw on his own experience.

The Night of the Iguana Tennessee Williams 2009-10-30 Now published for the first time as a trade paperback with a new introduction and the short story on which it was based. Williams wrote: "This is a play about love in its purest terms." It is also Williams's robust and persuasive plea for endurance and resistance in the face of human suffering. The earthy widow Maxine Faulk is proprietress of a rundown hotel at the edge of a Mexican cliff overlooking the Pacific Ocean where the defrocked Rev. Shannon, his tour group of ladies from a West Texas women's college, the self-described New England spinster Hannah Jelkes and her ninety-seven-year-old grandfather, Jonathan Coffin ("the world's oldest living and practicing poet"), a family of grotesque Nazi vacationers, and an iguana tied by its throat to the veranda, all find themselves assembled for a rainy and turbulent night. This is the first trade paperback edition of *The Night of the Iguana* and comes with an Introduction by award-winning playwright Doug Wright, the author's original Foreword, the short story "The Night of the Iguana" which was the germ for the play, plus an essay by noted Tennessee Williams scholar, Kenneth Holditch. "I'm tired of conducting services in praise and worship of a senile delinquent—yeah, that's what I said, I shouted! All your Western theologies, the whole mythology of them, are based on the concept of God as a senile delinquent and, by God, I will not and cannot continue to conduct services in praise and worship of this...this...this angry, petulant old man." —The Rev. T. Lawrence Shannon, from *The Night of the Iguana*

Some Trick Helen DeWitt 2019-10-29 Hailed a "Best Book of the Year" by NPR, Publishers Weekly, *Vulture*, and the New York Public Library, *Some Trick* is now in paperback For sheer unpredictable brilliance, Gogol may come to mind, but no author alive today takes a reader as far as Helen DeWitt into the funniest, most far-reaching dimensions of possibility. Her jumping-off points might be statistics, romance, the art world's piranha tank, games of chance and games of skill, the travails of publishing, or success. "Look," a character begins to explain, laying out some gambit reasonably enough, even in the face of situations spinning out to their utmost logical extremes, where things prove "more complicated than they had first appeared" and "at 3 a.m. the circumstances seem to attenuate." In various ways, each tale carries DeWitt's signature poker-face lament regarding the near-impossibility of the life of the mind when one is made to pay to have the time for it, in a world so sadly "taken up with all sorts of paraphernalia superfluous, not to say impedimental, to ratiocination."

New Directions in Picturebook Research Teresa Colomer 2010-07-12 In this new collection, children's literature scholars from twelve different countries contribute to the ongoing debate on the importance of picturebook research, focusing on aesthetic and cognitive aspects of picture books. Contributors take interdisciplinary approaches that integrate different disciplines such as literary studies, art history, linguistics, narratology, cognitive psychology, sociology, memory studies, and picture theory. Topics discussed include intertextuality, twist endings, autobiographical narration, and metaliterary awareness in picturebooks. The essays also examine the narrative challenges of first-person narratives, ellipsis, and frame-breaking in order to consider the importance of mindscape as a new paradigm in picturebook research. Tying picturebook studies to studies in childhood, multimodality, and literacy, this anthology is a representative of the different opportunities for research in this emerging field.

Night Train A. L. Snijders 2021-10-05 Brevity is the soul of beauty in these tiny masterworks of short short fiction Gorgeously translated by Lydia Davis, the miniature stories of A. L. Snijders might concern a lost shoe, a visit with a bat, fears of travel, a dream of a man who has lost a glass eye: uniting them is their concision and their vivacity. Lydia Davis in her introduction delves into her fascination with the pleasures and challenges of translating from a language relatively new to her. She also extols Snijders's "straightforward approach to storytelling, his modesty and his thoughtfulness." Selected from many hundreds in the original Dutch, the stories gathered here—humorous, or bizarre, or comfortingly homely—are something like daybook entries, novels-in-brief, philosophical meditations, or events recreated from life, but—inhabiting the borderland between fiction and reality—might best be described as autobiographical mini-fables. This morning at 11:30, in the full sun, I go up into the hayloft where I haven't been for years. I climb over boxes and shelving, and open the door. A frightened owl flies straight at me, dead quiet, as quiet as a shadow can fly, I look into his eyes—he's a large owl, it's not strange that I'm frightened too, we frighten each other. I myself thought that owls never move in the daytime. What the owl thinks about me, I don't know.

The Uses of Reminiscence Mark Kaminsky 2014-02-24 The meaning and value of reminiscence in the lives of elders is beautifully explored.

The Glass Menagerie Tennessee Williams 1999-06-17 No play in the modern theatre has so captured the imagination and heart of the American public as Tennessee Williams's *The Glass Menagerie*. Menagerie was Williams's first popular success and launched the brilliant, if somewhat controversial, career of our pre-eminent lyric playwright. Since its premiere in Chicago in 1944, with the legendary Laurette Taylor in the role of Amanda, the play has been the bravura piece for great actresses from Jessica Tandy to Joanne Woodward, and is studied and performed in classrooms and theatres around the world. *The Glass Menagerie* (in the reading text the author preferred) is now available only in its *New Directions Paperback* edition. A new introduction by prominent Williams scholar Robert Bray, editor of *The Tennessee Williams Annual Review*, reappraises the play more than half a century after it won the New York Drama Critics Circle Award: "More than fifty years after telling his story of a family whose lives form a triangle of quiet desperation, Williams's mellifluous voice still resonates deeply and universally." This edition of *The Glass Menagerie* also includes Williams's essay on the impact of sudden fame on a struggling writer, "The Catastrophe of Success," as well as a short section of Williams's own "Production Notes." The cover features the classic line drawing by Alvin Lustig, originally done for the 1949 *New Directions* edition.

Conversations with Kafka (Second Edition) Gustav Janouch 2012-01-26 A literary gem – a portrait from life of Franz Kafka – now with an ardent preface by Francine Prose, avowed "fan of Janouch's odd and beautiful book." Gustav Janouch met Franz Kafka, the celebrated author of *The Metamorphosis*, as a seventeen-year-old fledgling poet. As Francine Prose notes in her wonderful preface, "they fell into the habit of taking long strolls through the city, strolls on which Kafka seems to have said many amazing, incisive, literary, and per- things to his companion and interlocutor, the teenage Boswell of Prague. Crossing a windswept square, apropos of something or other, Kafka tells Janouch, 'Life is infinitely great and profound as the immensity of the stars above us. One can only look at it through the narrow keyhole of one's personal experience. But through it one perceives more than one can see. So above all one must keep the keyhole clean.'" They talk about writing (Kafka's own, but also that of his favorite writers: Poe, Kleist, and Rimbaud, who "transforms vowels into colors") as well as technology, film, crime, Darwinism, Chinese philosophy, carpentry, insomnia, street fights, Hindu scripture, art, suicide, and prayer. "Prayer," Kafka notes, brings "its infinite radiance to bed in the frail little cradle of one's own existence."

Where Europe Begins: Stories Yoko Tawada 2007-05-17 A gorgeous collection of fantastic and dreamlike tales by one of the world's most innovative contemporary writers. Chosen as a 2005 *Times Literary Supplement* Book of the Year, *Where Europe Begins* has been described by the Russian literary phenomenon Victor Pelevin as "a spectacular journey through a world of colliding languages and multiplying cities." In these stories' disparate settings—Japan, Siberia, Russia, and Germany—the reader becomes as much a foreigner as the author, or the figures that fill this book: the ghost of a burned woman, a traveler on the Trans-Siberian railroad, a mechanical doll, a tongue, a monk who leaps into his own reflection. Through the timeless art of storytelling, Yoko Tawada discloses the virtues of bewilderment, estrangement, and Hilaritas: the goddess of rejoicing.

Tales of Desire (New Directions Pearls) Tennessee Williams 2010-02-24 "I yearned for a bad influence and boy, was Tennessee one in the best sense of the word: joyous, alarming, sexually confusing and dangerously funny."—John Waters "I cannot write any sort of story," said Tennessee [to Gore Vidal] "unless there is at least one character in it for whom I have physical desire." These transgressive *Tales of Desire*, including "One Arm," "Desire and the Black Masseuse," "Hard Candy," and "The Killer Chicken and the Closet Queen," show the iconic playwright at his outrageous best.

The thirty-eight tales of "Cinema Stories" combine fact and fiction, and they all revolve around movie-making. The book compresses a lifetime of feeling, thought, and practice: Kluge—considered the father of New German Cinema—is an inventive wellspring of narrative notions. "The power of his prose," as "Small Press" noted, "exudes the sort of pregnant richness one might find in the brief scenarios of unknown films." "Cinema Stories" is a treasure box of cinematic lore and movie magic by "Alexander Kluge, that most enlightened of writers" (W. G. Sebald).

Madness in the Family William Saroyan 1990-05 "What a delight to find seventeen of Saroyan's uncollected stories within one cover!...charming tales, all blessed with Saroyan's pixieish imagination and magical writing style....Even today they read as though they have been freshly minted from the Saroyan treasure house. A discovery for those who love Saroyan's fiction; his spark is still wonderfully alive." --Library Journal

Thomas Hardy's Short Stories Juliette Berning Schaefer 2016-11-18 Thomas Hardy penned nearly fifty short stories, but in spite of this impressive number, his contributions to the genre have been relatively understudied. Bringing together an international group of scholars, this is the first edited collection devoted solely to Hardy's works of short fiction. The contributors take up topics related to their publication in periodicals, gender and community relationships, and narrative techniques. Taken together, the essays show that Hardy's short stories are important, not only for what they tell us about Hardy as a writer who straddles the divide between the traditionalist and the modernist, but also for how they reflect and inform the period in which he wrote.

The Collected Stories Dylan Thomas 1986 This gathering of all Dylan Thomas's stories, ranging chronologically from the dark, almost surrealistic tales of Thomas's youth to such gloriously rumbustious celebrations of life as *A Child's Christmas in Wales* and *Adventures in the Skin Trade*, charts the progress of "The Rimbaud of Cwmdonkin Drive" toward his mastery of the comic idiom.

The Collected Stories of Jean Stafford Jean Stafford 1992-01-01 The appearance of these stories in one volume is an event in our literature. To have built up so distinguished a collection, each story excellent in its own way and each an original departure in relation to the others, is a triumph. --Guy Davenport, *New York Times Book Review* Miss Stafford's craftsmanship and her mastery of the short story form are by now so well known that it seems superfluous to praise these stories. That they are impeccably done is obvious. --Joyce Carol Oates, *Book World* She writes about people whom loneliness has driven slightly mad, but also about people who are secure and comforted; she explores childhood and old age, poverty and wealth, tragedy and comedy. The comedy is usually wry... but often moves one to laughter. Above all, Miss Stafford will not be hurried... To me, this book is most solidly achieved. --John Wain, *New York Review of Books* Winner of the 1970 Pulitzer Prize for fiction, this collection of thirty stories includes some of Jean Stafford's best short fiction from the period 1944-1968. Including such favorites as *In the Zoo*, *Children Are Bored on Sunday*, and *Beatrice Trueblood's Story*, the collection offers the work of this popular writer of the 1940s and 1950s to a new generation of readers and critics.

Tenn at One Hundred David Kaplan 2011-01 Tenn at One Hundred, edited by David Kaplan, is a comprehensive look at the reputation of America's greatest playwright. Published on the occasion of Tennessee Williams' centennial, these eighteen essays—by authors including John Lahr, William Jay Smith, Sam Staggs, Amiri Baraka, John Patrick Shanley, and Allean Hale—explore the man and his legacy: the plays, films, reviews, talent, tenacity, good fortune, bad timing, friends, addictions, critics, producers, publishers, directors, actors, and biographers that helped to shape Williams' critical reputation and iconic status over the past seventy years. Best known for the groundbreaking plays, *A Streetcar Named Desire*, *Cat on a Hot Tin Roof*, and *The Glass Menagerie*, Williams began his writing career in the 1930s as a struggling and unknown poet. At the time of his death in 1983, he was the most produced playwright in the country and one of the most ridiculed American writers. What were the events and decisions that created these conflicting extremes of reputation? How did Williams come to be known as one the most shocking writers of the post-war era while he was also lauded as America's "poet of human heart"? *Tenn at One Hundred* is the first book to attempt to answer these questions and to begin re-assessing Williams' reputation.

*The Hour of the Star* Clarice Lispector 1992 In a haunting psychological tale of despair and freedom, Macabea is ugly, underfed, sickly, and unloved yet she fascinates Rodrigo because she is unaware of how unhappy she should be
