Courageous Faith Amy Craighead 1918-09-07 So often we ask the questions, "What is my purpose? Why am I here, walking this earth?" Not only are we created to worship and be in relationship with God, our Creator, we have ground to claim, just like the Israelites. Claiming our earthly promised land (our purpose) is intricately woven into who we are, our relationship with the Lord, and His will. It's easy to think our purpose is something big, grandiose, and far off. In reality, it's probably a lot closer than you realize. Where has God called you? What has He already placed in your path and on your heart? As we study the Book of Joshua together, we explore what your promised land looks like-that purpose. Through Joshua's experiences, obedience, and relationship with the Lord, we learn what it takes to identify and claim your ground. Diving deep into God's Word, life tools will be presented as we apply them to our own life and circumstances. Throughout this journey we consider what it means to authentically live from a place where our identity is based on who we are as God's creation in Christ, rather than what we do. You may know the Bible story of the walls of Jericho tumbling down, but Joshua's journey with the Israelites is so much deeper. Faith is an action word, and Joshua's life is filled with deep faith and courageous obedience as he lived out the promises of God. Join me as we explore the Book of Joshua. Each step of the journey will allow our faith to take root deep into your heart, resulting in a close walk with the Lord and claimed

ground.

The Violence of the Biblical God L. Daniel Hawk 2019-01-08 How can we make sense of violence in the Bible?

Joshua commands the people of Israel to wipe out everyone in the promised land of Canaan, while Jesus commands God's people to love their enemies. How are we to interpret biblical passages on violence when it is sanctioned at one point and condemned at another? The Violence of the Biblical God by L. Daniel Hawk presents a new framework, solidly rooted in the authority of Scripture, for understanding the paradox of God's participation in violence. Hawk shows how the historical narrative of the Bible offers multiple canonical pictures for faithful Christian engagement with the violent systems of the world.

God Promises - God Delivers Harry Underwood 2005-02-17 This book is a Bible study of the first twelve chapters of the Book of Joshua. It is an attempt to understand the Word of God in the context of the history of the Jewish people and to apply an understanding of the Word of God to the practice of the Christian life in the twenty-first century. The study is focused upon understanding portions of the character of God, love and wrath, and how they are consistent throughout human history. The Book of Joshua completes the redemption of Israel that was begun in the Book of Exodus. The two books taken together provide a continuum of history of the Jewish people. Exodus is the book of redemption of the people of

Israel out of Egypt and Joshua is the book of redemption of the people of Israel into the Promised Land.

Possessing the Promised Land Norman Lindsay 2013-07-03 The people of Israel found themselves wandering in the wilderness for an entire generation. In fact, it was God's declared purpose to allow them to wander, seemingly aimlessly, until all those of that rebellious generation were all dead and a new generation could be persuaded to face the challenging task of possessing the land that had been promised to their forefathers more than four hundred years previously. I have found a number of parallels with our spiritual walk. Possessing the promises of the Lord is similar in many ways to Israel possessing the Promised Land. So we will review several

of the events involved in Israel's endeavor. Hopefully, we will discover some insights into our Possessing the Promised Land.

Deuteronomy Joshua James David Malm 2016-05-29 The fifth book of Moses makes clear that possession of the physical promised land by Israel is absolutely dependent on Israel following and living by every Word of God. This is an analogy that entry into the spiritual Promised Land of Eternal Life is also absolutely dependent on our zealously following and dedicatedly living by every Word of God. The Canaanites were used by God as an example of the total destruction of sin and unrepentant sinners; and The book of Joshua reveals that it is only by a passionate zeal to fearlessly follow the Word of God; that we, through the power of God, can overcome wickedness and sin to inherit the spiritual Promised Land of eternal life.

The Promised Land Chris Nicholson 2015-01-31 The Joshua Model describes a picture for the workings of the innermost part of the human being that we call the heart. As part of this it describes what processes happen as an individual meets their God through Christ and therefore provides a framework for understanding Christian salvation. Unusually, the Joshua model is not derived, as one might expect, from the New Testament but from the life of Joshua recorded in the Old Testament as he led the tribe of Israel into their place of rest; 'the Promised Land'. The 'Joshua Model' thus outlines a simple framework for understanding the Faith from its internal experience to its outworking in the surrounding society. It should therefore prove useful to both those just starting their faith-walk with Christ as well as those further on in that journey, ministers and counsellors included. Also given here within the Joshua model is the 'Jericho Model', a framework for dealing with spiritual 'strongholds'; areas of behaviour in Christian's lives where 'God's best' is not yet seen. Written by a former natural scientist and geologist, the book brings some surprising insights into the geography and geology of the Promised Land that point to an amazing level of divine design. In tying history, geography and an understanding of human nature together, a level of unity and coherency is ultimately revealed that is unforced and simply 'there' in scripture right under the nose of the reader. The book should therefore encourage faith in Christ.

Sinners in the Hands of an Angry God Jonathan Edwards

2019-08-15 Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Land of Life and Rest Studies in the Book of Joshua
W. Graham Scroggie 2014-10-16 “We must strive eagerly

to attain that rest” (4:11): and this word “strive eagerly” is the same as that in Joshua 4:10, where we read that “the people hastened and passed over” the Jordan. From this we see that faith is not a substitute for effort, and that effort can never be a substitute for faith. The truth about practical holiness has suffered at times, because it has been represented as something that needs not the effort of man for its realization. This, however, is not true. Just because we are rational and moral beings, we have some responsibility for our own sanctification.

Joshua Michael Hattin 2015-01-13 *The Book of Joshua* enumerates the great challenges faced by the ancient Israelites as they enter and settle their promised land, a lengthy process that ultimately takes hundreds of years. Exhausted from their forty-year journey in the desert, the people must overcome earlier failures, confront hostile coalitions on the battlefield, struggle with the inimical cultural values pervasive in Canaan, and make the difficult transition from a nomadic to a settled way of life. Difficult as this may sound, there is yet one burning issue that overshadows the whole enterprise: What are the hallmarks of successful leadership? In *Joshua: The Challenge of the Promised Land*, Michael Hattin brings to life the biblical Book of Joshua, highlighting how the many complex issues faced by the people as they fought to possess their new land mirror and shed light on today's

reality. Hattin approaches the text as literary narrative, considering it from the perspectives of rabbinic midrash, medieval commentary

The Promised Land 1995

The David Story: A Translation with Commentary of 1 and 2 Samuel Robert Alter 2009-10-21 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999

Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Preparation Creates Opportunity Paul Murray 2021-04-27

The book of Joshua is the biblical record of the conquest of Canaan, an event that fulfilled a promise God made to Abram and his descendant's generations earlier. It was the gift of God to His people, the Promised Land, the land of milk and honey. After Israel's delivery from four hundred years of bondage in Egypt and the miraculous crossing of the Red Sea, Israel was brought into a new relationship with God. God gave them His Law and established them as a nation on Mount Sinai. They were instructed to enter the Promised Land at Kadesh-barnea, but after spying out the land, they were terrified. The land was a land of milk and honey, as God said, but God forgot to mention that there were giants in the land. These were

men of immense size and strength who made the Israelites feel like grasshoppers in their sight. The Jews didn't believe God could give them the land with those odds and refused to obey His will to enter the land. In response, they rebelled against Moses and Joshua. God judged that generation for their lack of faith and obedience by causing them to wander forty years in the wilderness, going nowhere, until that entire sinful generation perished. Finally, a nation of young men who had grown up in the wilderness stand at the banks of the Jordan River. They can see the Promised Land across the raging waters. The ancient fulfillment of the promise and the gift of God are so close. But before the conquest can begin, the river must be crossed and preparations must be made. These preparations will serve as the basis of the conquest that will unfold over the next seven plus years. Come along for the ride. You're about to see God do wonders you've never imagined. Walk with these men and feel the drama unfold. It will change your view of who God is.
